WISDOM, KINDNESS, AND WONDER

The Ascended Masters on the Child, the Family, and Education

Education of the Heart, Head, and Hand

The wonder and awe of discovery, important moments of delight, are the child's journey to worlds above, and to new joy and freedom within.

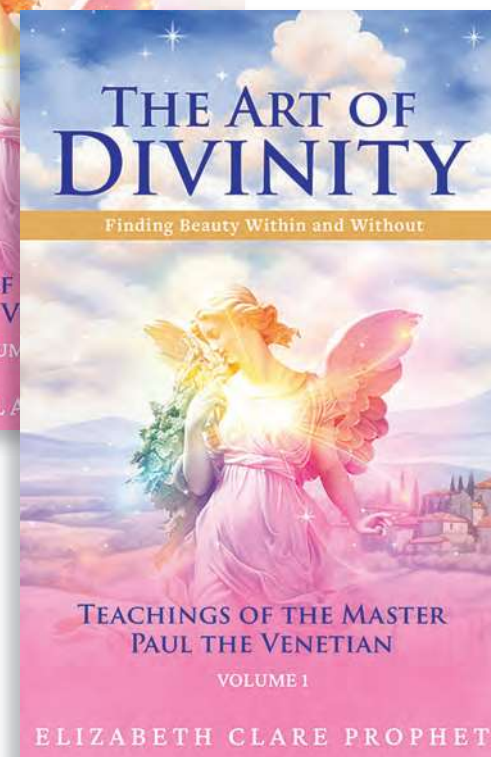

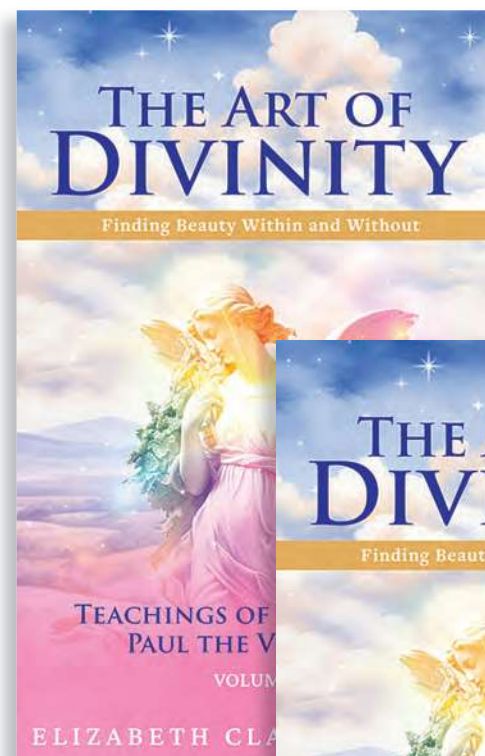

With vast creative faculties yet untapped, children come to us as *mature souls*, trusting and looking to parents and teachers who will help unlock their magnificent potential.

We seek a new day for our children, for the education of their hearts, above and beyond a rote curriculum, and a joyful way of virtue, of excellence and skill. We seek the highest standards. Who would teach and encourage this transcendent education of the heart?

Mark and Elizabeth Clare Prophet present the greatest teachers of all, those with vast credentials of wisdom and kindness, who have transcended our world and long to impart the path to a new age. These are the ascended masters, graduates of earth from eons ago and some, like Maria Montessori, more recently. They offer the purest, most loving and personal approach to the child, from their very real care and understanding of each soul.

This book is a treasure of 48 teachings on the true nature of the child and family, presenting magnificent precepts of a true education that lights the way for a better future, even a golden age civilization yet to come. **COLOR ILLUSTRATIONS**

**A NEW HEAVEN AND
 A NEW EARTH**

*The Ascended Masters' Vision
 for Our Time*

*Now is a time for ushering in
 a new golden age.*

Yet the world faces troubles it has not seen in thousands of years. The forces of division seek everywhere to drive a wedge between hearts of light. In the midst of this turmoil, the ascended masters point the way to ushering in the New Heaven and the New Earth. The key is to hold our harmony and to pass the community's initiation to love each stranger, friend or foe that enters our gate.

"Easier said than done," you may think. To aid us in our striving for so worthy a goal, the masters of East and West have gathered and delivered tremendous keys. They present several goals to strive for:

- to be so harmonious in the face of surrounding turmoil that a cosmic being can work through you to rescue souls of light
- to know that by us passing our tests, souls dependent on us will take their tests and meet their inner timetables, allowing great things to happen
- to give Saint Germain's Creation of the Cloud meditation and heal planet Earth through the power of love
- to increase our contact with the Brotherhood by the Ashram Rituals and see what Morya will do for us
- to utilize the magnet of love placed in the community as a forcefield of Divine Love

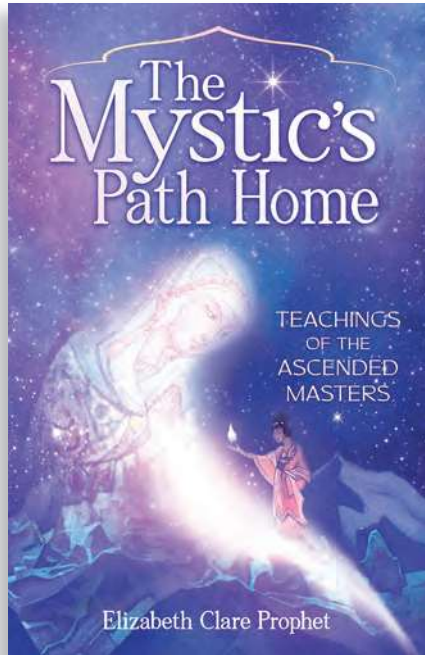

What is it to build the new heaven, the new earth? Morya says it "is entirely an inner building of the temple of God." We will have to learn to plan for infinity and to be prepared for the finite world.

Our future is an open door and we will encounter events that we can't control. However, through our calls to the forces of Light, heaven-sent solutions will come as we serve the Light.

Take these timely messages of hope and inspiration and make the most of the opportunity still at hand.

REALITY OF YOUR ASCENSION

Teachings of Serapis Bey

The ascension is the goal of life.

In fact, it is the culmination of many lifetimes of soul evolution and balancing karma. But it is not the end. Having learned all the lessons of earth's schoolroom, the soul is reborn in the realms of Spirit.

But what is the ascension? Is it something that just happens because you lead a good life? Is it a miraculous transition, like Elijah's chariot of fire? Or is it a goal that must be sought and won?

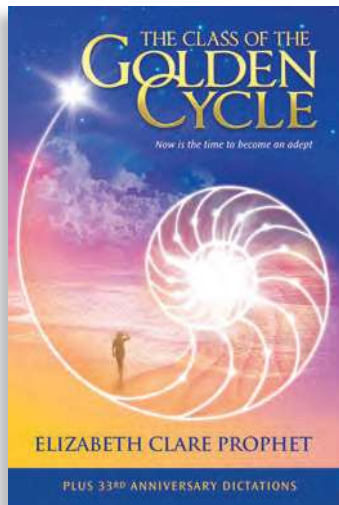

In *Reality of Your Ascension*, Elizabeth Clare Prophet explores these and many other mysteries of the path of the ascension. Most importantly, she introduces us to Serapis Bey and other masters of the ascension flame—those who have walked that path before us. They present a practical and transcendent wisdom for all who seek the ultimate goal.

Let the inner door of your Ascension Temple be opened in this age so the Brotherhood of Luxor can bid you enter. Dare to cross the threshold into an experience of reality beyond imagination.

THE CLASS OF THE GOLDEN CYCLE

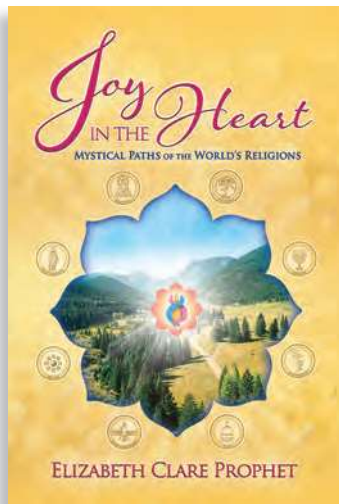

Now Is the Time to Become an Adept

October 14, 1991 was a moment in cosmic history. The ascended master Saint Germain announced the release of a golden cycle of light from the Great Central Sun—"a spiral... that shall affect all evolutions of the matter cosmos according to the cycle of their individual worlds and planes."

This cycle is a gift of the quickening of your crown chakra, making available a wisdom intended to propel you and the planet into a self-transcending golden age. The question is, how will you manifest the gift today and tomorrow? The ascended masters' dictations at that conference gave many keys to unlock that wisdom, and you will find all their discourses published in this volume.

Enter the ongoing spiral of the golden cycle from the sun. May it lead you all the way Home.

INITIATIONS OF THE HEART

Teachings from the Mystery School.

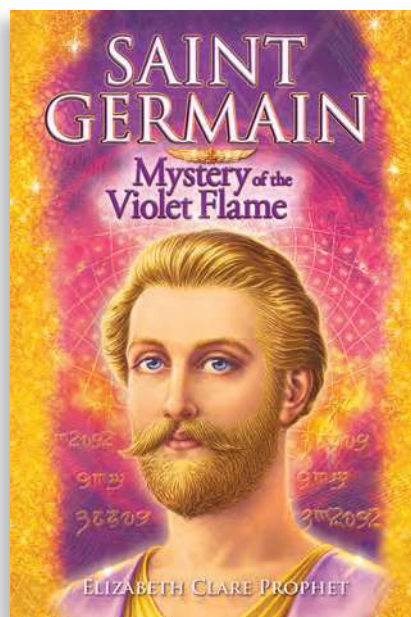

Did our hearts not *burn* within us...

The mystics have always known that the heart is the most important center of consciousness. We can gain visions through the third eye, enlightenment through the crown. But the true fount of cosmic consciousness is always the heart. How do we develop our heart—the chakra of Divine Love? How can we increase the fire of the heart? How can we expand the threefold flame, the very source of Life within us?

Within *Initiations of the Heart*, the ascended masters reveal the mysteries of the heart. Most importantly, as we enter into their Word, each one offers a transfer of light—a unique initiation of the heart.

The apostles felt the fire of the heart in their encounter with the risen Christ on the road to Emmaus. May you also experience that fire through your encounter with the masters in this age.

SAINT GERMAIN

Mystery of the Violet Flame

The Philosopher's Stone, the Holy Grail, the Elixir of Life

For millennia, mystics and alchemists have sought the keys to unlock secrets of life and eternity. Their discoveries were often veiled in esoteric symbolism—hiding their real knowledge from those who might use it for selfish ends.

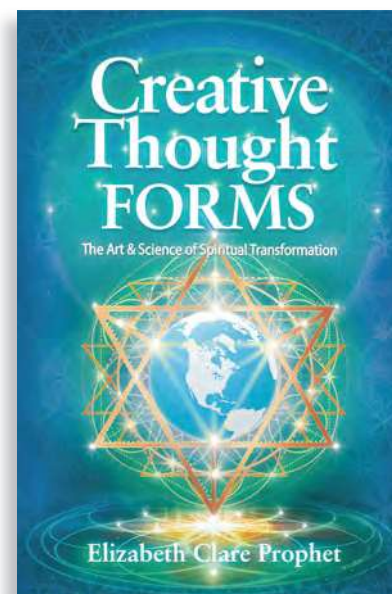

Saint Germain was one such seeker. Through many lifetimes as alchemist, adept and visionary, he found the priceless ancient formulas for self-transformation.

In this day, he comes again, revealing some of that knowledge to those finally ready to receive it—mystics like you. Most importantly, he reveals the profound secrets of the violet flame—the key to personal and world transformation.

CREATIVE THOUGHT FORMS

The Art and Science of Spiritual Transformation

Mark Prophet, a modern-day adept, shows how you can use color, sound, and geometry to create thoughtforms that have a reality far beyond mere imagination.

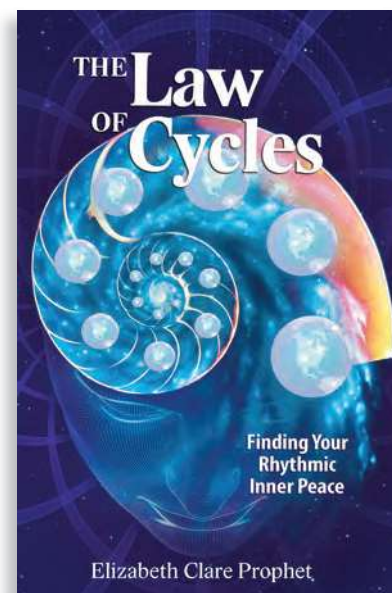

Have you noticed how advertisers use thoughtforms to program your desires? How the news media use thoughtforms to program your mind?

There is real power in the science of thoughtforms. And this science can be used for many purposes—including the healing of mind and body. Thoughtforms can even precipitate in the physical plane. But of far greater value is their power to transform your mind and emotions.

How will you use thoughtforms to brighten your life, your mind and emotions with the balance, symmetry, and harmony of light? **COLOR ILLUSTRATIONS**

THE LAW OF CYCLES

Finding Your Rhythmic Inner Peace

From early childhood, Elizabeth Clare Prophet observed the cyclic interaction of nature, planets and stars.

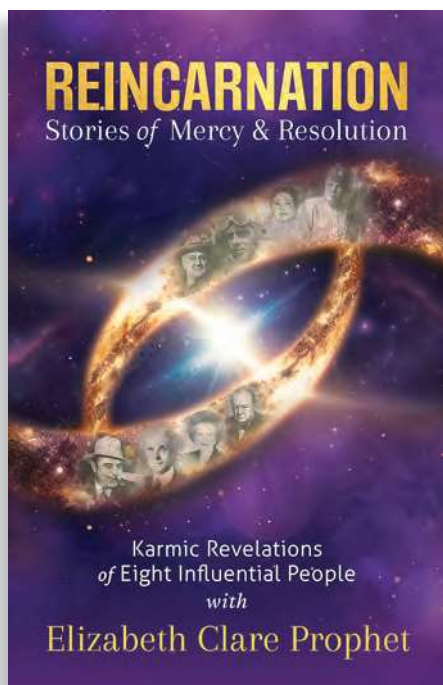

Drawing on sources ranging from Hindu teachings on pralaya cycles, the ancient Greeks' understanding of the golden ratio, to modern studies on the spirals of creation, she shows the rhythmic equation of God in man and nature. From this broad perspective, the wholeness and holiness of the universe are revealed.

Is it time to get off the roller coaster of the circumstances of your life and find your point of peace? Find your ultimate freedom through the mystery of the violet flame!

REINCARNATION STORIES OF MERCY AND RESOLUTION

*Karmic Revelations of Eight Influential People
with Elizabeth Clare Prophet*

(Formerly titled, *9 Cats 9 Lives*)

FDR, Al Capone, Henry Ford . . .
What were they doing on Atlantis?
And how did that set the stage for future lives?

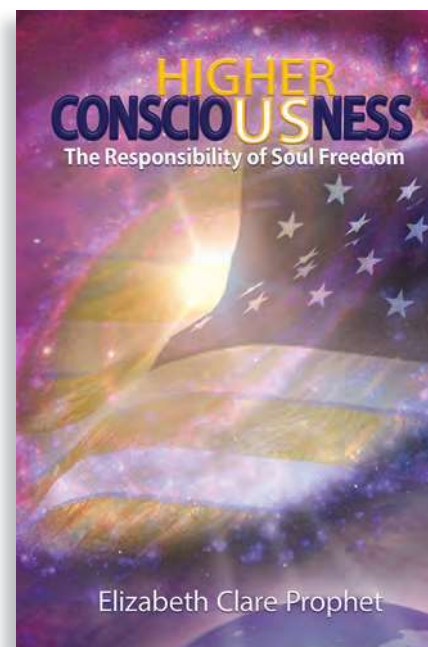

Elizabeth Clare Prophet penetrates the veils of *akasha* to reveal the past lives of individuals who helped shape the modern world. As she traces threads of karma, we see how their choices in many lives set their destiny and the karmic challenges they would face in the twentieth century.

The stories are intriguing. More importantly, they show that while karma may determine the cards we are dealt in life, we each choose how we will play our hand. We can rise to our higher calling and balance our karma—or wrap ourselves more tightly in its bonds.

The message is that we can *transcend* our past—and our past lives—and find a new freedom and joy in life each day.

HIGHER CONSCIOUSNESS

The Responsibility of Soul Freedom

Over seventy years ago, historian Arnold Toynbee foresaw a “time of troubles” coming to America and the nations of the West. Our destiny depends on our response to these mounting crises.

In this landmark release on America’s bicentennial, Saint Germain and other ascended masters outlined the challenges that America and the nations would face. They spoke of the promise of a new day that lies beyond them. And key to our success today, they outlined what the free nations of the world need to do to reach a new era of peace and enlightenment.

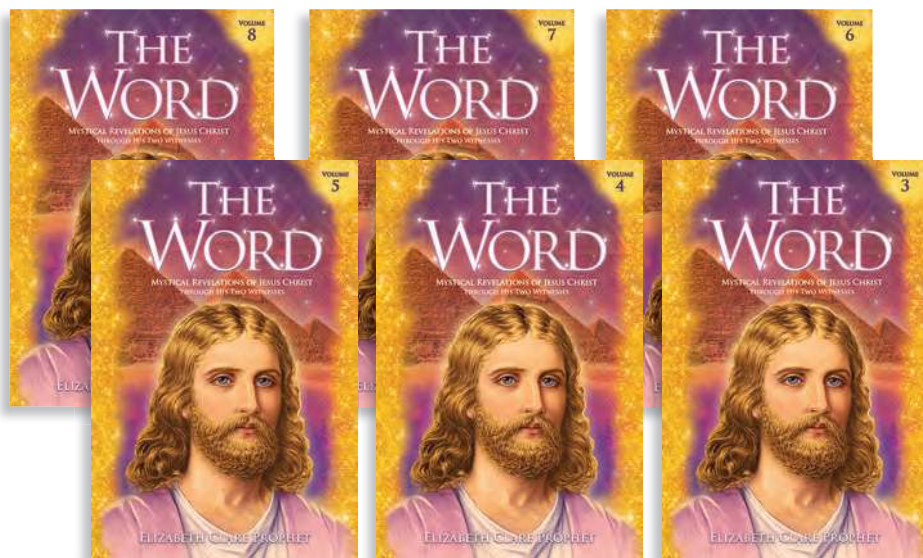

We are facing those challenges today. Our requirement is nothing less than a new American Revolution. The revolution of 1776 secured the independence of a new nation, an unprecedented experiment in liberty. Today, it is a revolution in spiritual awareness that is needed.

There is a part for you to play in the Coming Revolution in Higher Consciousness. Find your role. Fulfill your mission. Take up the path that leads to your ultimate freedom.

THE WORD

Mystical Revelations of Jesus Christ through His Two Witnesses

Jesus Christ is the avatar of the ages—the same yesterday, today and forever. We knew him when he walked the streets of Atlantis and Lemuria. We also knew him in eras of darkness, when he sought to lead men to the light.

His message did not begin with the Bible, nor did it end with the Book of Revelation. He has never stopped speaking to his own.

Two thousand years ago, he foretold a time of tribulation—the end of an age. That time has come. It is the era when the mystery of God should be finished, when the Two Witnesses should prophesy “a thousand two hundred and three-score days.”

And so Jesus once more delivers his Word to a world in transition. As always, the message is one of judgment to the fallen angels, admonishment to those who would walk in the light, hope for all who are striving on the path, and the vision of a golden age to come.

DISCOURSES ON COSMIC LAW

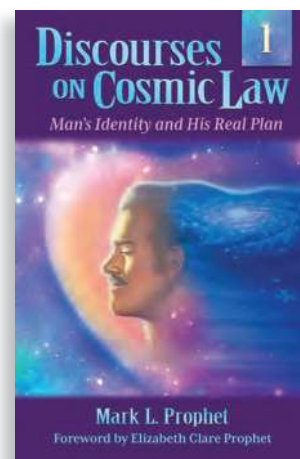

MARK L. PROPHET

Mark Prophet had a life of many challenges. He left high school during the Great Depression to support his widowed mother. He laid track on the Soo Line Railroad, served in the Air Force in World War II, was the head of an electrical workers' union in the Midwest. Finally, he achieved the American dream—the house, the job, the new car—only to see it all taken in a great spiritual test. But through all of this, it was his quest for God that was the driving force for his life.

As a boy, he would pray for hours at an altar he built in the attic of his house. He received all nine gifts of the Holy Spirit while yet a teenager. And then he found that his search for Reality could not be contained within that path. He studied the Western arcana. He pursued the Eastern paths of yoga and meditation. And above all, he was guided by his Guru, the ascended master El Morya.

Mark Prophet was never afraid to let the Holy Spirit express through him. He used no notes—each discourse was a fresh revelation from the heart of God. They were delivered with grace and disarming spontaneity—and often a dose of humor. (Who can forget “The Chevy Is My Auto”?) He often quoted the words of Kahlil Gibran’s *The Prophet*, “Was it I who spoke? Was I not also a listener?”

Above all, his messages were the product of a profound love for God and man. They were glimpses of the Infinite—the Wisdom of the Ages made practical for a modern world.

TEACHINGS FROM THE MYSTERY SCHOOL

The Maitreya Discourses

Come and Find Me... Welcome to the Mystery School of Lord Maitreya—the Buddha of mercy, love and compassion.

Two thousand years ago, Maitreya sent forth the call to his disciple, Jesus, to come and find him. And so Jesus set out for the Himalayas to find the Father, Maitreya, and to receive the teachings that would be the key to an age. Now, once again, Maitreya sends forth the call. Are you one of these fiery spirits that Maitreya Buddha is calling?

Jesus tells us that the Mystery School of Lord Maitreya is “the open door of the coming of the golden age. This is the open door of the pathway of East and West, of the bodhisattvas and the disciples.... For once again it may be said that Maitreya is physically present, not as it was in the first Eden but by the extension of ourselves in form through the messenger and the Keepers of the Flame.”

Soon after the announcement of the opening of his Mystery School, Lord Maitreya began a series of profound discourses. He asked us to search these teachings and to discover in them the keys to this Age of Maitreya.

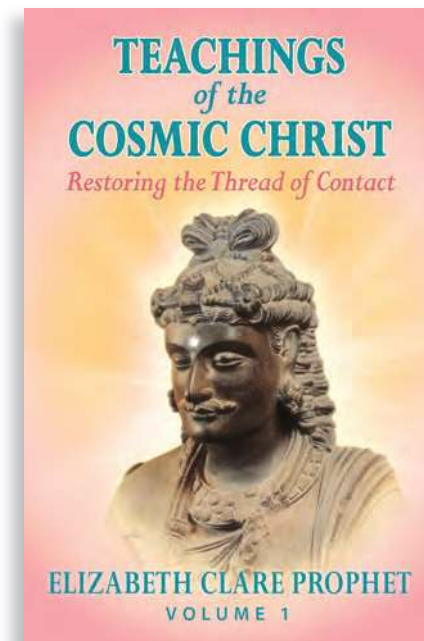

In this book you will find those keys to anchoring the consciousness of the Cosmic Christ in your life. Maitreya beckons: “Come and Find Me.”

Welcome to the adventure of the ages.

Now comes Maitreya—Guru of old. He would open the door of the ancient mystery school once more. But there are requirements to be met before we are ready to enter.

Maitreya would show us the way. The first step: to reestablish the thread of contact with the Guru—and with our own Real Self.

Enter the path of the Cosmic Christ.

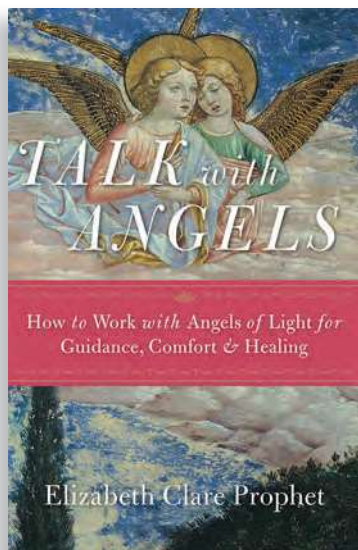

Regain the Edenic consciousness.

FALLEN ANGELS AND THE ORIGINS OF EVIL

Why Church Fathers Suppressed the Book of Enoch and Its Startling Revelations

Did rebel angels take on human bodies to fulfill their lust for the “daughters of men”? Did these fallen angels teach men to build weapons of war? That is the premise of the Book of Enoch, a text cherished by the Essenes, early Jews and Christians but later condemned by both rabbis and Church Fathers.

Elizabeth Clare Prophet examines the controversy surrounding this book and sheds new light on Enoch’s forbidden mysteries. She demonstrates that Jesus and the apostles studied the Book of Enoch and tells why Church Fathers suppressed its teaching that angels could incarnate in human bodies. Contains Richard Laurence’s translation of the Book of Enoch, all the other Enoch texts (including the Book of the Secrets of Enoch) and biblical parallels.

REINCARNATION

The Missing Link in Christianity

ELIZABETH CLARE PROPHET with ERIN L. PROPHET

"Imaginative and provocative. . . Elizabeth Clare Prophet's assertion that not only mystical Gnostics but also a Jewish wisdom teacher like Jesus taught reincarnation is sure to rattle your karmic chain."

—Marvin Meyer, author of *The Gospel of Thomas: The Hidden Sayings of Jesus*

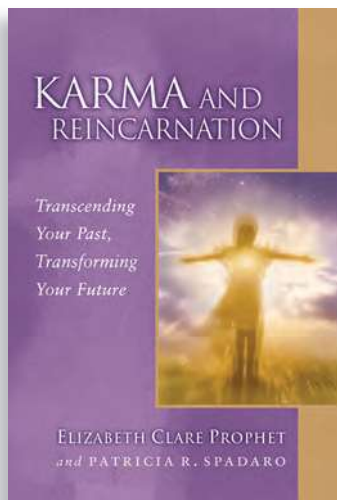

This groundbreaking work makes the case that Jesus taught reincarnation and traces the history of reincarnation in Christianity—from Jesus and early Christians through Church councils and the persecution of so-called heretics. Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts, it also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within. Your view of Jesus—and of Christianity—will never be the same.

THE LOST YEARS OF JESUS

Documentary Evidence of Jesus' 17-Year Journey to the East

"Reads like a detective thriller! It picks you up and never lets go of you."

—Jess Stearn, bestselling author of *Edgar Cayce, The Sleeping Prophet*

"Well-written and provocative. The research was not only thorough and accurate but very, very careful."

—Robert S. Ravicz, Ph.D., Professor of Anthropology, California State University, Northridge

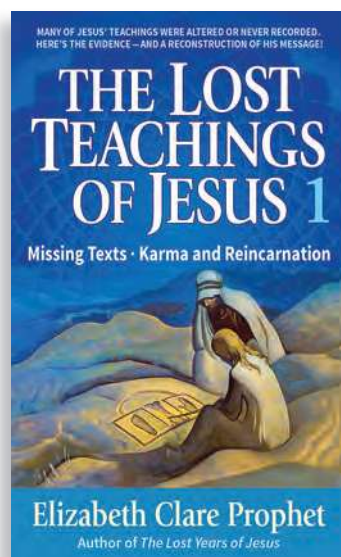

Ancient texts reveal that Jesus spent 17 years in the Orient. They say that from age 13 to age 29, Jesus traveled to India, Nepal, Ladakh and Tibet as both student and teacher. For the first time, Elizabeth Clare Prophet brings together the testimony of four eye-witnesses—and three variant translations—of these remarkable documents. She tells the intriguing story of how Russian journalist Nicolas Notovitch discovered the manuscripts in 1887 in a monastery in Ladakh. Critics "proved" they did not exist—then three distinguished scholars and educators rediscovered them in the twentieth century. Now you can read for yourself what Jesus said and did prior to his Palestinian mission. It's one of the most revolutionary messages of our time.

They answer questions that have puzzled readers of the Bible for centuries.

THE MANDATE OF VICTORY

MARK L. PROPHET and ELIZABETH CLARE PROPHET

Success is the byword of our modern civilization. Yet, few people reach the pinnacles of success that many dream of. For most of us the sense of true accomplishment is moderate. Or we feel boxed in by the ideal of material success that leaves little room for living life as it was meant to be—in the richness of spiritual self-fulfillment. And our souls yearn for a higher way.

This book offers that higher way—framed within a personal challenge flung right at you: are you satisfied to spend your life conditioned by the all-too-human failure consciousness, or are you ready to embrace the Victory Consciousness? In forty astounding messages, a majestic cosmic being called Mighty Victory unfolds for you the secrets of the Victory Consciousness.

Sometimes we look a stranger in the eye and have a flash of recognition: we know this person! You may feel an instant soul connection when you gaze into the eyes of the fierce being whose portrait graces the cover of this book. Who is he?

He is the ascended master El Morya. Now a purely spiritual being, he's had many earthly embodiments where millions of souls knew him intimately—as father, brother, teacher, ruler and friend. He was Abraham. He was Sir Thomas More. He was Akbar the Great. And he had many more lives as the exemplar of fatherly guidance and love.

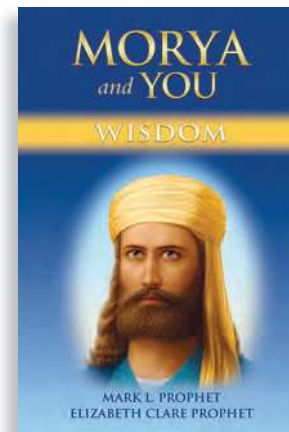

You may well have been one of those millions who knew him in the past. The problem is, you've forgotten all about him as you entered your present life.

Prior to the Fall, men and women lived blissfully in a golden-age paradise. Their souls evolved in love, peace and harmony. They speak of the golden-age family and offer spiritual keys for achieving world brotherhood.

TOM MILLER

The author knew he was an artist from the time he could first hold a pencil. His artistic range spans a wide variety of creative endeavors: painting, videography, musical compositions and photography. His dedication to fulfilling the will of God for himself drew him to the messengers, Mark and Elizabeth Prophet and set the sail for the remainder of his life's journey. In this tome, you will read stories highlighting his experiences attempting to draw down the highest art forms and music under the sponsorship of the ascended masters as well as lessons learned from day-to-day as a disciple of his gurus, Mark and "Mother." Tom's reflections will afford the reader a first-hand glimpse into life in a modern day mystery school.
