

SAINT GERMAIN
A SECRET HISTORY

APPENDIX G

KEEPER OF THE FLAME FRATERNITY

A Keeper of the Flame is someone who has dedicated his life to the keeping of the flame of God consciousness, or the flame of life itself, and that is always in active service. Keepers of the Flame infuse Mater (the material universe) with a vibrancy of Spirit, new each moment, pouring forth from the Fount of Life, from the very heart of God, new energy and new life, new love to infuse the planes of Mater.

Saint Germain sponsored the Keepers of the Flame Fraternity for the teaching of his students and the passing to them his light. You can be a member of the Keepers of the Flame Fraternity while being a member of any church or any religion or a student of any guru. It's Saint Germain's teaching to all who need it. When you join you receive thirty-three monthly lessons in instruction on cosmic law. Once you have completed these, there is more to discover!

The spirit of this fraternity can be best felt through the words of Saint Germain's pledge as the Knight Commander of the Keepers of the Flame:

To Those Who Seek Initiation on the Path:

To be a Keeper of the Flame is to be a torchbearer of the age. To be a Keeper of the Flame is to run with the fires of the resurrection, that all life might be regenerated in the flame of Reality.

The crumbling of the old order and the building of the new take place simultaneously. Some identify with the downward spiral and some with the upward spiral. Keepers of the Flame

recognize that this is a time for the gathering of the sheaves of consciousness. This is a time when men must reap the sowings of the past. This is a time when the foundation of a golden age must be built.

The crosscurrents of world karma with individual reckoning of the Law of Life must be reconciled with the oncoming tide of cosmic light that spirals from the Central Sun of a cosmos throughout all galaxies evolving from the center of the creative Mind. The Great White Brotherhood summons devotees of the Law of Being—those who recognize that this is an hour when souls and worlds are crying out for salvation. This is an hour when those who have the vision to see the end from the beginning must leave their nets and their lesser causes for the one cause that counts—the cause of freedom.

The four sacred freedoms enshrined in the heart of America—freedom of religion, freedom of speech, freedom of the press, and freedom to assemble—are still the bulwarks of liberty secured by sons and daughters of God who saw the wilderness as the place to be prepared for the coming of the Divine Mother and her seed. As we dedicated this land to be the land of opportunity for the proving of Christhood, so now we come to dedicate the human heart as the threshing floor of the Almighty, as the place where the flame of Life must be forged and won by each individual soul desiring to merge with the fountainhead of life that is God.

Hierarchy stands as the mediator between Creator and creation. Hierarchy comes forth in this age with a special dispensation of light and opportunity, presenting the gift of the sacred teachings of the ages to all who will respond with the fervor and the joy, the dedication and the self-discipline which are necessary if this planet, this people, and this civilization are to endure beyond the twentieth century.

It is time for men and women mature in judgment, capable in leadership, humble before God, and possessed with a profound vision of the consequences of mankind's turning from their God, to make the decision to come together in the communion of the flame under the aegis of the Great White Brotherhood to sponsor the revolution of the ages—the revolution of light, love, and the victory of the flame. Keepers of the Flame and those who would be, accept the challenge! For it is nothing less than the reversing of the tide of sin, disease, and death, and the arresting of the spirals of disintegration and decay now outpicturing in the mass consciousness of the world.

This is a time when men and women must face their responsibilities or face the consequences. It is a time to accept the challenge of individual karma, to meet every crisis, personal and planetary, with the determination that the flame of freedom and the fires of the Holy Ghost can and shall consume all error and all misuse of the Law of Life. This is a time to pursue the dharma of a planet and a people with a passionate devotion to the blueprint of life and to the divine plan for all.

I am come as the master of the Aquarian age. And I summon lovers of freedom, devotees of the ascended masters, and all who are born with a will to bring to fruition the seeds that God has planted within the soul—seeds of virtue and invention, seeds of creativity and individuality, seeds of humility and righteousness. I come to marshal the spirits of those who are already aligned with hierarchy at inner levels and who now come before the altar of the Divine Mother to make their energies count in manifestation in matter on behalf of the youth and the incoming souls, on behalf of all who have ever lived to defend the flame of freedom.

As I look upon the saints in heaven who form a phalanx of the armies of the LORD, as I look at the souls who have given their lives for the cause of righteousness, I remember the words of the sixteenth president of the United States, “that these dead shall not have died in vain.” And I say that all who have ever lived for the cause of the Great White Brotherhood shall not have lived in vain. I pledge my all, my causal body, my entire momentum of freedom, for the victory of the sons and daughters of God in this age. And I summon, with the love of my heart, all who will give their all to that cause.

“Come now, and let us reason together, saith the LORD.” Let us join together in a fraternity of lightbearers, “as Above, so below”—one with the masters ascended, one with the chelas unascended—to forge a union of the Spirit that shall not be broken, a union that will drive back the astral hordes and secure this planet for the light for all time and space. And I say, if you are willing, sons and daughters of Liberty, we can still win in the fight for freedom and for the ascension in the light of every soul, and bring forth an age of peace and enlightenment for all. Let us find strength in our Union. Let us win by the conviction of our souls and the merging of the souls of all in the fire of the I AM Presence.

In memory of all who have overcome the world, all who have set their feet on the path of initiation, I, Saint Germain, stand in this age to receive the lightbearers as my own.

Will you receive me as your own?

I AM and I remain the Knight Commander of the Keepers of the Flame,

Saint Germain

For your own alchemical experimentation, here is a small collection of violet-flame decrees and affirmations. The decree “I AM the Violet Flame” has a wonderful example of an invocation you can give at the beginning of your decrees.

I AM THE LIGHT OF THE HEART
by Saint Germain

I AM the Light of the Heart
Shining in the darkness of being
And changing all into the golden treasury
Of the Mind of Christ.
I AM projecting my Love
Out into the world
To erase all errors
And to break down all barriers.
I AM the power of infinite Love,
Amplifying itself
Until it is victorious,
World without end!

MORE VIOLET FIRE
 by Hilarion

Lovely God Presence, I AM in me,
 Hear me now I do decree:
 Bring to pass each blessing for which I call
 Upon the Holy Christ Self of each and all.

Let Violet Fire of Freedom roll
 Round the world to make all whole;
 Saturate the earth and its people, too,
 With increasing Christ-radiance shining through.

I AM this action from God above,
 Sustained by the hand of heaven's Love,
 Transmuting the causes of discord here,
 Removing the cores so that none do fear.

I AM, I AM, I AM
 The full power of Freedom's Love
 Raising all earth to heaven above.
 Violet Fire now blazing bright,
 In living beauty is God's own Light

Which right now and forever
 Sets the world, myself, and all life
 Eternally free in Ascended Master Perfection.
 Almighty I AM! Almighty I AM! Almighty I AM!
